Looking for a single thread
Of melody to help me get by
Where we're passing the time
Is it real?
Does it give too much away?
It's pouring out my heart
Till you come back
A reason to stay

Do you know
Is this way home?
Is this way

We just stare while the wheels fall off
But everyone seems to carry on, carry on
No time to tell you
How much we lost
Cause everyone needs to carry on, carry on

Looking for some words to say
There's no familiar faces round here
But the feelings the same
Is it real?
Does it give too much away?
It's pouring out my heart
Till you come back
A reason to stay

Do you know
Is this way home?
Is this way?

We just stare while the wheels fall off
But everyone seems to carry on, carry on
No time to tell you
How much we lost
Cause everyone needs to carry on, carry on

Carry on
Carry on
(Carry on, carry on)
Carry on

(Carry on, carry on)
Everyone needs to carry on, carry on

The places you know
The friends that you owe
Somewhere to go
Does it pay to be alone?
Will I fall?

Is this way home?
Is this way home?
Is this way home?

We just stare while the wheels fall off
But everyone seems to carry on, carry on
No time to tell you
How much we lost
Cause everyone needs to carry on, carry on

Carry on
Carry on
Carry on, carry on
Carry on
Carry on

Everyone needs to carry on, carry on
Carry on

It's the way I feel
Speak up when you know that it's real
Seem's like it's taking you over
There's nothing that's old can't show ya
