Little girl sleeping in dreams of peace  
Mommy been gone a long time  
Daddy comes home and she still sleeps  
Waiting for the world worst crime  
And he comes up the stairs like he always does

And he never turns on the light  
And she's wide awake, scared to death  
She smells his lust and she smells his sweat  
Curled in a ball she holds her breath

Praying to a God that she's never met  
Don't let Daddy kiss me, don't let Daddy kiss me  
Goodnight

Little girl lies by her Daddy's side  
And she listens to him breathe  
She knows there's something awful wrong  
That she's far too young to see

And she knows she can't tell anyone  
She's too full of guilt and shame  
And if she tells she'll be all alone  
They'd steal her Daddy and they'd steal her home

And it's not so bad when Daddy leaves her alone  
Praying to her God with his heart of stone  
Don't let Daddy kiss me, don't let Daddy kiss me  
Goodnight

Why, tell me why,  
The worst crime, in the world

And so Daddy lies by his daughter's side  
And he sleeps deep and well  
No nightmares come to him tonight  
Though his daughter lives in hell

For his seed is sown where it should not be  
But the beast in his mind don't care  
And the only sound are tears that fell

Little girl turns her face to the wall

She knows that no-one hears her call  
But it seems that God hears nothing at all  
Don't let Daddy kiss me, don't let Daddy kiss me  
Goodnight
