midnight, midnight
midnight beat the drum
black night, black night
black night, cut and run
slaughter, slaughter
slaughter, flee you bed
quarter, no quarter
no quarter, don't lose your head

fighting in the west
fighting in the east
fighting like a beast
you must stand and fight

fight, fight, fight
fight, make it right
fight, fight

fighting, fighting
fighting, for your life
riding, riding
riding, endless night
laughing, laughing
laughing, to our final breath

fighting in the east
fighting in the west
what a bloody mess
you will stand and fight

fight, fight, fight
fight, make it right
fight, fight

reaver, reaver
reaver, riding fast
believer, believer
believer, loyal to the last
faithful, faithful
faithful, to uor creed
soldier, till it's over

till it's over, everything we need

fighting to the last
fighting to the death
your last dying breath
you must stand and figth

fight, fight, fight
fight, make it right
fight, fight
fight, stand and fight
stand and fight, stand and fight
make it right, stand and fight
you must fight, fight
you motherfucker
