Foxy do you have a light?
Can you light me up tonight?
I'd like to see you burn me down,
Why don't you let me light your fire?
Why don't you let me stoke you higher?
Fire, Fire! Holocaust,
Fire, Fire! Given up for lost,
Fire, Fire! Strike one, strike two,
Fire, Fire! I'm a match for you

You're quick to learn,
I love to watch you burn,
Come any time I'll torch you out,
Only you can create the flame,
Only you can scorch my brain,
Fire, Fire! Conflagration,
Fire, Fire! Hellfire, damnation,
Fire, Fire! Strike six strike eight,
Fire, Fire! I think you're great

You can't put me out,
But there ain't no doubt,
You ain't nowhere near safe with me,
You ain't the first to turn me down,
You ain't the first to turn me round,
Fire, Fire! Big black smoke,
Fire, Fire! Ain't no joke,
Fire, Fire! Strike nine strike ten,
Fire, Fire! Strike out again
