Gypsy woman told my mother, before I was born
Got a boy child comin', he'll be a son of a gun
Gonna make all these women jump and shout
All the world's gonna know, what it's all about
Cause you know I'm here, everybody knows I'm here
I'm a hoochie coochie man, everybody knows I'm here
Got a black cat bone, got a mojo too
Gotta sing John the Conqueroo, gonna mess with you
Gonna take all your pretty girls, lead you by your hand
All the world's gonna know I'm the hoochie coochie
man
Cause you know I'm here, everybody knows I'm here
I'm a hoochie coochie man, everybody knows I'm here
On the seventh hour, of the seventh day,
Of the seventh month, seven doctors say
He was born for good luck, and can't you see
I got seven million deutschmarks baby, don't you mess
with me
Cause you know I'm here, everybody knows I'm here
I'm a hoochie coochie man, everybody knows I'm here
