Knew I had to bite you baby when I first set eyes on you,
That moment turned me on, I can't believe it's true,
I like to watch your body sway,
I got no choice, I'm gonna twist your tail,
Love Me Like A Reptile, I'm gonna sink my fangs in you

Thunder lizard, stony eye, you got me hypnotised,
Hot tongue breaks in and out and I can't believe my eyes,
And your soft white belly, next to mine,
Scaly baby, see you shine,
Love Me Like A Reptile, you're murder in disguise,
Black mamba, murder in disguise

Baby you're a rattlesnake, you know the way I feel,
Feel you crawling up my back, you've got no love to steal,
You know I've got my eyes on you,
You're petrified, gonna stick like glue,
Love Me Like A Reptile, shock you like an electric eel
