Listen woman, you needn't look so stupid
When I call your name out loud
'Cause everybody thinks you're a sweet smelling girl
With intelligence you know how
I wouldn't want anyone else to know
About the way you really are

You're just a rock and roll queen
You know what I mean
And I'm just a rock and roll star

Listen woman, you needn't go to bed
With everybody that you meet
'Cause everybody thinks you're a sweet little girl
With intelligence in your feet
I wouldn't want anyone else to know
About the way you really are

You're just a rock and roll queen
You know what I mean
And I'm just a rock and roll star

Alright!

You're just a rock and roll queen
You know what I mean
And I'm just a rock and roll star

You're just a rock and roll queen
You know what I mean
And I'm just a rock and roll star

You're just a rock and roll queen
You know what I mean
And I'm just a rock and roll star

You're just a rock and roll queen
You know what I mean
And I'm just a rock and roll star

You're just a rock and roll queen
You know what I mean

And I'm just a rock and roll star
