Baby if you just say you care
Follow you most anywhere
Roll away the stone
Roll away the stone

And in the darkest night
I'll keep you safe and all right
Roll away the stone
Roll away the stone

Won't you roll away the stone
Why be cold and so alone?
Won't you roll away the stone
Don't you let it die

No matter if fools say we can't win
I know I'll fall in love again
Roll away the stone
Roll away the stone

So sing we still got a chance
Baby in love and sweet romance
Roll away the stone
Roll away the stone

Won't you roll away the stone
Why be cold and so alone?
Won't you roll away the stone
Don't you let it lie

There's a rockabilly party on Saturday night
Are you gonna be there
I got my invite

Gonna bring your records
Oh, will do
Made it

Won't you roll away the stone
Why be cold and so alone?
Won't you roll away the stone
Don't you let it die

Come on roll
Come on roll, yeah
Come on roll
I want you to roll
Come on, yeah
Come on roll
Come on roll
I said roll
