Flying circus on the road
Burn like fire, blind and cold
Stagefright, stagefright, oh baby
Not me, not me, not me
Stagefright, stagefright, oh man
Never got me
Crash and burn,
Crash and burn, drive on
Crash and burn,
Crash and burn, we're gone
Cheat the devil, live so long
Burn the mission, sing your song
Stagefright, stagefright, yo mamma
Not me, not me, not me
Stagefright, stagefright, go back
That's where I wanna be
Crash and burn, crash and burn, drive on
Crash and burn, crash and burn, we're gone
Stagefright, stagefright,
Walk the line, love the shoes
Tattooed lady, needle blues
Stagefright, stagefright, oh baby
Not me, not me, not me
Stagefright, stagefright, get down
Something came over me
Crash and burn, crash and burn, drive on
Crash and burn, crash and burn, we're gone
Crash and burn, crash and burn, drive on, drive on,
Drive on, we're gone
