(mick ralphs)

The way that you move makes me think
That you're a dead-ringer for a rock 'n roll singer.
And the way that you dance
Makes me wanna create
Some kind of scene in your life.
Know that you could have some kind of fun with me,
Anyway give it a try.
Cause you're a fun loving girl, yes you are.
I'm just a fun loving guy.

Well I seen you before just hanging around me
Trying to pretend that (?)
I can be naughty and I can be nice.
Who can predict girls in the game
Know that you could have some kind of fun with me,
Anyway give it a try.
Cause you're a fun loving girl, yes you are.
I'm just a fun loving guy.

Well don't look so nervous since I closed the door shut,
You wouldn't want anyone else to get in.
A black leather belt hangs on the wall,
Should be warning enough not to try to get in.
Know that you could have some kind of fun with me,
Anyway give it a try.
Cause you're a fun loving girl, yes you are.
I'm just a fun loving guy.
