The French are glad to die for love,

A kiss on the hand may be, quite continental,  
But diamonds are a girl's best friend  
A kiss may be grand but it, won't pay the rental on your  
humble flat  
Or help you feed your, pussy cat

Men grow cold as, girl's grow old  
And we all lose our charms in the end  
But square cut or pear shaped  
These rocks don't lose, their shape

Diamond's are a girl's best friend

Tiffany's.....Cartier

Cos we are living in a material world,  
And I am a material girl

\*kisses the crowd\*

(spoken) come and get me boys!  
Black star, Ross Core

TALK TO ME HARRY SIDLER AND TELL ME ALL ABOUT IT!

There may come a time when a, lass needs a lawyer  
-but diamond's are a girl's best friend  
There may come a time when, hard boiled employer  
thinks you're up all night,  
But get that ice or else no dice

He's your boy when, stocks are high  
But beware when they start to descend

Diamonds are a girl's best  
Diamonds are a girl's best  
Diamonds are a girl's best-

Talking from the film in background

Cos thats when those louses go back to their spouses  
Diamonds, are a, girl's, best, Friend!
