Rupert (as Algy): After you dear boy.

Colin (as Jack): Oh no after you.

Rupert: No, no, no, do go first I?m not really good at  
the high bits. I?m much better low

Colin: Oh we?ll see...

Hm hm hm hmm

Rupert: 1 2. and!

Colin: The western wind is blowing fair  
Across the dark Aegean Sea

Rupert: And at the secret marble stair  
My Tyrian galley waits for thee

Together: Come down, the purple sail is spread  
The watchman sleeps within the town  
Oh leave thy lily flowerbed  
Oh lady mine, come down

Chorus: Come down  
Lady come down  
Come down  
Lady come down,  
Oh Lady come down

She will not come I know her well  
Of lover's vows she hath no care  
And little good a man can tell  
Of one so cruel and so fair

Colin: True love is but a woman?s toy  
They never know their lover's pain  
Rupert: And I who loved as loves a boy  
Must love in vain  
Together: Must love in vain

Come down  
Lady come down  
Come down  
Lady come down

Colin: I think your high notes may have damaged our

chances old boy. You do want them to come down don't you?

Rupert: well she is never gonna come down if you're singing like that. You're completely out of tune

Colin: How dare you

Rupert: I'll take this bit

Colin: you leave this to me. You go lie down around

Rupert: no I'll take this bit

Colin: out of my way I'm coming through

Rupert: go easy, my dear fellow

Colin: COME DOOOOOWWWNNN

Come down

Lady come down (Rupert: Jack (Colin), you're messing it more) \_\_

Come down

Lady come down

Colin: That wasn't so bad, was it?

Hmmmmhmhhhhmmmmm

Rupert: They're not gonna come down.

D'you think we should go up?

Maybe we should go up.

Colin: Algy you're always talking nonsense.

Rupert: Well it's better than listening to it

Colin: Lady come down

Rupert: Doo bee doo bee doo bee doo bee doo
