(Dance all night,
Dance all night,
Dance all night)
I believe you were
Expecting me...
(Dance all night,
Dance all night,
Dance all night)

And it's called the Moulin Rouge, let's dance.

Feel the beat of the rhythm of the night (feel the
rhythm)
Forget about the worries on your mind (on your mind)
Feel the beat of the rhythm of the night (feel the
rhythm)
Forget about the worries on your mind

When it feels like the world is on your shoulders
And all of the madness, has got you goin crazy!
It's time to get out, step out into the street
Where all of the action, is right there at your feet!

Well, I know a place where we can dance the whole
night away
And it's called the Moulin Rouge!
Just come with me and we can shake your blues right
away!
You'll be doin fine once the music starts, ooooooh
yeah!

Feel the beat of the rhythm of the night (dance until the
morning light)
Forget about the worries on your mind (we can leave
them all behind)
Feel the beat of the rhythm of the night (oh the rhythm
of the night)
Forget about the worries on your mind (we can leave
them all behind)

La la la lala
Oh la la la

We're out in the street now,
The parties just beginning.
The music's playing
A celebration's starting.
Under the street lights,
The scene is being set.
A night for romance!
A night you won't forget!
So come join the fun this ain't no time to be stayin'
home.
The Moulin Rouge is going on!
Tonight is gonna be a night like you've never known,
We're gonna have a good time the whole night long
Ohhhhhhhhhh, yeah!

Feel the beat of the rhythm of the night (dance until the
morning light)
Forget about the worries on your mind (we can leave
them all behind)
Feel the beat of the rhythm of the night (oh the rhythm
of the night)
Forget about the worries on your mind (we can leave
them all behind)

La la la lala
Oh la la la
La la la lala
Oh la la la

(Spanish singer)
Cuando sientes que el mundo esta encima de ti y
Y la vida te tiene como loca
Conosco un lugar donde podemos bailar!

And it's called the Moulin Rouge!

Feel the beat of the rhythm of the night (feel the
rhythm)
Forget about the worries on your mind (on your mind)
Feel the beat of the rhythm of the night (feel the
rhythm)
Forget about the worries on your mind (we can leave
them all behind)
Feel the beat of the rhythm of the night
Forget about the worries on your mind (leave them all
behind)
Feel the beat of the rhythm of the night (oh the rhythm
of the night)
Forget about the worries on your mind (we can leave
them all behind)

Feel the beat of the rhythm of the night (everybody)
Forget about the worries on your mind (tonight)
We can leave them all behind
Feel the beat of the rhythm of the night (fever)
Forget about the worries on your mind
Feel the beat of the rhythm of the night (of this night)
Forget about the worries on your mind (mind)

Oh rhythm, wanna feel the rhythm
