**Christian**

Love is a many, splendend thing  
Love, lifts us up where we belong  
All you need is love

**Satine**

Please, don't start that again

**Christian**

All you need is love

**Satine**

A girl has got to eat

**Christian**

All you need is love

**Satine**

Or she'll end up on the street

**Christian**

All you need is love

**Satine**

Love is just a game

**Christian**

I was made for loving you baby  
You were made for loving me

**Satine**

The only way of loving me baby is to pay a lovely fee

**Christian**

Just one night give me just one night

**Satine**

There's no way

'Cause you can't pay

**Christian**

In the name of love  
One night in the name of love

**Satine**

You crazy fool, I won't give in to you

**Christian**

Don't, leave me this way  
I can't survive without your sweet love  
Oh baby  
Don't leave me this way

**Satine**

You'd think that people would have had enough of silly love songs

**Christian**

I look around me and I see, it isn't so  
Oh no

**Satine**

Some people want to fill the world, with silly love songs

**Christian**

Well what's wrong with that  
I'd like to know  
'Cause here I go, again

Love lifts us up where we belong  
Where eagles fly  
On a mountain high

**Satine**

Love makes us act like we are fools  
Throw our lives away, for one happy day

**Christian**

We could be heroes just for one day

**Satine**

You, you will be mean

**Christian**

No I won't

**Satine**

And I, I'll drink all the time

**Christian**

We should be lovers

**Satine**

We can't do that

**Christian**

We should be lovers

And that's a fact

**Satine**

Though nothing, will keep us together

**Christian**

We could steal time

**Both**

Just for one day

We could be heroes forever and ever

We could be hereos, forever and ever

We could be hereos

**Christian**

Just because I.. will always love you

**Both**

I can't help loving you

**Satine**

How wonderful life is, now you're in the world
