My gift is my song and this one's for you
And you can tell everybody that this is your song
It may be quite simple but now that it's done

Hope you don't mind
I hope you don't mind that I put down in words
How wonderful life is now you're in the world

Sat on the roof and I kicked off the moss
Well, some of the verses well, they, they got me quite
cross
But the sun's been kind while I wrote this song
It's for people like you that keep it turned on

So excuse me forgetting but these things I do
You see, I've forgotten if they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song
It may be quite simple, now that it's done

I hope you don't mind
I hope you don't mind that I put down in words
How wonderful life is now you're in the world

Hope you don't mind
I hope you don't mind that I put down in words
How wonderful life is now you're in the world
