Shadows grow so long before my eyes

And they're moving across the page

Suddenly the day turns into night

Far away from the city

Well, don't hesitate, 'cause your love won't wait...

Ooo, baby, I love your way, everyday

Gonna tell you I love your way, everyday

Wanna be with you night and day

Moon appears to shine and light the skies

With the help of some firefly

Wonder how they have the power to shine

I can see them under the pine

But don't hesitate, 'cause your love won't wait...

Ooo, baby, I love your way, everyday

Gonna tell you I love your way, everyday

Wanna be with you night and day

(Solo - on verse) But don't hesitate, 'cause your love won't wait...

I can see the sunset in your eyes

Brown and grey, blue besides

Clouds are stalking islands in the sun

Wish I could buy one out of season

But don't hesitate, 'cause your love won't wait...

Ooo, baby, I love your way, everyday

Gonna tell you I love your way, everyday

Wanna be with you night and day

(Chorus - repeat as needed)
