I was sitting in the street when the news came my way  
(x2)  
Good news (x4)  
I was sitting in the street when the messenger came by  
I was sitting in the street when the messenger came my  
way  
Good news, good news like a rare blood disorder  
Good news (x2)

I was sitting in the street  
I don't believe I've made it clear what exactly I mean by  
that  
I was sitting in the middle of the street  
Dust made it's way into my legs even though my shirt  
was tucked in  
And I saw the colors forming in the west  
Saw the bright feathers reflected in the sky, now  
Good news (x4)
