You shall be cast down  
Before even dreams were dreamt of  
There existed misery  
Epitome of gods and men alike  
Tormented as they struggled  
Amidst chaos, twisted beings did mesh as one  
Not yet beyond the veil  
To be as waxen idols...  
Crafted with the blackest hand of matter  
Birthed was the unseeing eye  
Divinity renamed...  
Silence the unhearer  
Burden thy path not more  
Shade the beacon light  
Keep hidden from ones  
Whom seek not paths of worth  
Drink the Soma  
Vision the white lotus  
Seated upon the thousandth petal  
Crucified to the days of three  
Emerge, open thy eye  
View the innate and dream the dream  
Behold the nirvanic temple...
