Save me from myself

Could you please explain this word  
To me it's confusing, It's so unreal  
My answer to this chaos is devastate it all

Take me as I am and lead me into frustration

Hey my friend you better think twice  
It is no game, it's your life  
Bloodshed is what I like  
Remember this is your life  
In the end you are always wiser  
But this pure aggression  
Takes me higher and higher

Take me as I am and lead me into damnation

Being my own master  
Creating a hell  
Being my own saviour  
Creating a hell  
Being my own God  
Creating a hell  
Being my own slave  
Creating a hell

Sometimes I close my eyes  
See burning bodies, a burning sky  
I can't find the peace of my mind  
Seasons they'll never change  
As long as blood is pumping  
In my veins everything dies

Take me as I am and lead me into damnation

Being my own master  
Creating a hell  
Being my own saviour  
Creating a hell  
Being my own God  
Creating a hell

Being my own slave  
Creating a hell

My own master  
My own saviour  
My own God  
My own slave

Being my own master  
Creating a hell  
Being my own saviour  
Creating a hell  
Being my own God  
Creating a hell  
Being my own slave  
Creating a hell
