All night long I'm horny  
All night long I'm horny  
All night long I'm horny  
All night long I'm horny  
All night long I'm horny  
All night long I'm horny

You got me horny in the morning and you know  
I tried to call you but I can't find the telephone  
I sent a message through the internet but it rejected  
I wrote you a letter and I send it through the post

The post it takes so long  
So I got to sing this song  
To let you know how I feel, what's the deal baby  
And I can't wait for you  
And the things you make me do  
My heart is ringing so I'm singing this song for you

Chorus:  
I'm horny, horny, horny, horny  
So horny, I'm horny, horny, horny  
I'm horny, horny, horny, horny  
So horny, I'm horny, horny, horny tonight

I search from town to town but I can't find my boo  
I got so desperate that I sent a rocket to the moon  
In New York City, someone said they saw you singing  
the blues  
But it was a man from Nowhere Land that looked like  
you  
I will keep searching on  
This feeling's much too strong  
My heart is ringing and I'm singing this song for you

Chorus:  
I'm horny, horny, horny, horny  
So horny, I'm horny, horny, horny  
I'm horny, horny, horny, horny  
So horny, I'm horny, horny, horny tonight  
I'm horny, horny, horny, tonight

I'm horny, horny, horny, tonight

All night long I'm horny  
All night long I'm horny  
All night long I'm horny  
All night long I'm horny

The post it takes so long  
So I've got to sing this song  
To let you know how I feel, what's the deal baby  
And I can't wait for you  
And the things you make me do  
My heart is ringing so I'm singing this song for you

Chorus:

I'm horny, horny, horny, horny  
So horny, I'm horny, horny, horny  
I'm horny, horny, horny, horny  
So horny, I'm horny, horny, horny tonight

All night long I'm horny  
All night long I'm horny  
All night long I'm horny  
All night long I'm horny
