Caught outside  
World isolated  
As life slips slowly out of my hands

I can't take it  
I can't take it  
I can't take it  
I can't take it

No more

It's within me, it's within you  
It's the thorn of life  
That pulls us through  
It's within me, it's within you  
It's the thorn of life  
That pulls us through  
Inner exile, inner exile  
Within me, inner exile  
Inner exile, within you

Too much noise surrounding me  
My body is getting weak  
I don't want to talk  
I drift away

Locked inside  
World isolated  
Penetration of my soul  
Fragile I am  
Fragile I fly

I fly

It's within me, it's within you  
It's the thorn of life  
That pulls us through  
It's within me, it's within you  
It's the thorn of life  
That pulls us through  
Inner exile, inner exile  
Within me, inner exile

Inner exile, within you
