Is it cos Im cool
Is it cos Im cool
Why you dress like me is it honesty or you just a fool
Is it cos Im cool
Why the school kids laugh cause the papers got it
wrong again
Is it cos Im cool
Take a piece of me serve me up on a plate in your
restaurant
Is it cos Im cool
Is it cos Im cool
Is it cos Im fly
Cos I said what I said when I said what I said but I didn't
say
Is it cos Im hip
Why you dig my shit and you say I am a fan now I
understand
Is it cos Im hot
Why you mention me in your V.I.P memories
Is it cos Im cool
Is it cos Im cool
I aint buying or selling today
Im just looking around
For some decent conversation
No hidden agenda
No phony pretender
No holding on out for no sweet sixteen
Or peppermint dream
Ill call you please don't call me
Is it cos Im cool
Is it cos Im cool
Is it cos Im Smart
Why you break my heart with the lies you tell baby kiss
and tell
Is it cos Im wrong
That you jump right in with no discipline baby sink or
swim
Is it cos were friends why you use my name just to
entertain yeah
Is it cos Im cool
Is it cos Im cool

Time keeps ticking and running away
And it's taking us fast to a brand new free dimension
Too cool to mention well that's the intention
But some of us too damn blind to see
Its setting us free
Say goodbye to jealousy
Is it cos Im cool
Is it cos Im cool
