Turn around look into my eyes  
Can't you see how I feel?  
Can't you see this slow demise?

And behind my eyes chaos rules my world  
And behind my eyes the flame refuses to burn

Well, this is the end  
Tell me this is the end of it now

Well, I've lost my way  
Madness spreads within my soul  
I am sick I've lost control  
Well, I've lost my way  
There is nothing more to hide  
'Cause it's too deep  
Too deep inside

Like I can see myself  
Feel pity for the weak  
Like I begin to fall  
And never hit the ground  
I start to scream  
Sanity for sale

Well, this is the end  
Tell me this is the end of it now

Well, I've lost my way  
Madness spreads within my soul  
I am sick I've lost control  
Well, I've lost my way  
There is nothing more to hide  
'Cause it's too deep  
Too deep inside

Shall I go forward  
Shall I go back  
A living target to attack  
Aiming high but feeling low  
It's not over, it happens now

Turn around now

Well, I've lost my way  
Madness spreads within my soul  
I am sick I've lost control  
Well, I've lost my way  
There is nothing more to hide  
'Cause it's too deep  
Too deep inside
