Remain
Unchained
I stand
Here before you now
No more
Regrets
I'm here

I won't be the one (I will be there)
To leave you all alone (I hear your call)
To drown in yourself (I won't leave here)
A place to call your own (leave you alone)

Now come on home
Now come on home

Call out
My name
My strength
Will change your dark to light
Wake up
Don't sleep
I'm here

I won't be the one (I will be there)
To leave you all alone (I hear your call)
To drown in yourself (I won't leave here)
A place to call your own (Leave you alone)

Now come on home
Now come on home

Don't lose your faith
Don't come undone
All I have to say
Is that (I won't be the one)

I won't be the one (I will be there)
To leave you all alone (I hear your call)
To drown in yourself (I won't leave here)
A place to call your own (Leave you alone)

Now come on home
Now come on home
