

Mourning September

"Always"

As the story unfolds

Cornerstones of sunlight glisten
Call upon the night in person
Open bloodshot eyes
Pierce the clouds darken the skies

Give me the life I've left behind
I hear you call from the other side

Always you
Always from here
Always in every way
Always alone

Reverse the time we've had together
Turn the earth
She's torn and weathered
Open bloodshot eyes

Pierce the clouds darken the skies

Is it a crime that fate decides?
You live or you die
How you survive

Always you
Always from here
Always in every way
Always alone

As the story unfolds
She did as she was told
Bare naked broken bones
Still sacred to her soul

She did as she was told
Still sacred to her soul
Bare naked broken bones
Still sacred to her soul

Always you
Always from here
Always in every way
Always alone

As the story unfolds
Always
She did as she was told
Always
Bare naked broken bones
Always
Still sacred to her soul
Always
She did as she was told
Always
Bare naked broken bones
Still sacred to her soul
