### "Closer to closure"

Turn, turn, tell me, are you feeling closer to closure?  
Turn, turn, tell me, be honest with me, is it over?  
Burn baby burn, the bridges burned tonight  
I can see the fire in your eyes

Time is running out  
You better turn, you better turn and walk away

You're one step closer, and I can see him fading from  
your eyes  
It's only a matter of time  
Burn baby burn, the bridges burned tonight  
I can see the fire in your eyes

Time is running out  
You better turn, you better turn and walk away  
Time is running out  
You better turn, you better turn and walk away

I can see the fire in your eyes..

Time is running out  
You better turn, you better turn and walk away  
Time is running out  
You better turn, you better turn and walk away
