

Mourning September

"Every Dream"

Visit "[Every Dream](#)" on MotoLyrics.com

There are the words that I cry to you,
from the bottom of my heart,
from the bottom of this void.

*I'd like something to take control
of every thought I think.
of every dream I dream.
of every dream I dream.*

Cause I can't do it on my own.
Live a life that pleases you.
I can't fight these battles alone.
I need a help of a love that's true.

You hear the cry of a broken soul.
You came in, and took control.

Cause I can't do it on my own.
Live a life that pleases you.
I can't fight these battles alone.
I need a help of a love that's true.

Cause I can't do it on my own.
Live a life that pleases you.
I can't fight these battles alone.
I need a help of a love that's true.

*There are two versions of this song, one has this
