Every road leads back to you  
Contemplate the lives we knew  
What are we so desperate for?  
Broken trust by truth unsaid  
Reveal the pain in tears we she'd  
What are we so desperate for?

It's the calling out at night  
The screams  
The fights  
The bloodstained swords of you and I  
Love is war

No control and no pretense  
Ressurrect this dead romance  
This is all I'm asking for  
Hold the girl that you once knew  
The one you drowned inside of you  
This is all I'm asking for

It's the calling out at night  
The screams  
The fights  
The bloodstained swords of you and I  
Love is war  
Tearing us apart  
Love is war  
The fire in our Hearts  
The fire in our hearts

It's the calling out at night  
The screams  
The fights  
The bloodstained swords of you and I  
Love is war  
Tearing us apart  
Love is war  
The fire in our Hearts  
The fire in our hearts  
It's the calling out at night  
The screams

The fights  
The bloodstained swords of you and I  
Love is war  
Tearing us apart  
Love is war  
The fire in our Hearts
