"Tonight, Tonight"

Have you ever wanted to hold
A moment in your hand?
A picture in your head and never let it go?
Never let it go?

Tonight, tonight is the time for me.
I wish the blood red moon would have lingered.
Tonight, tonight is the time for me.
I wish the blood red moon would have lingered.

A moment in your hand
A picture in your head (in your head)
even if these scars don't mend.
even if these scars don't mend. (they don't mend)

Tonight, tonight is the time for me.
I wish the blood red moon would have lingered.
Tonight, tonight is the time for me.
I wish the blood red moon would have lingered.

Black trees, covered by a crimson grace.
It won't be long (be long) until I see your face.

Tonight, tonight is the time for me.
I wish the blood red moon would have lingered.
Tonight, tonight is the time for me.
I wish the blood red moon would have lingered.
