Turn me on, turn me on, turn me on, turn me on  
Turn me on, turn me on, turn me on, turn me on

Spy on me baby, use satellite  
Infrared to see me move through the night  
Aim, gonna fire, shoot me right  
I'm gonna like the way you fight

Now you found the secret code I use  
To wash away my lonely blues  
So I can't deny or lie  
'Cause you're the only one to make me fly

Sex bomb, sex bomb, you're a sex bomb  
You can give it to me when I need to come along  
Sex bomb, sex bomb, you're my sex bomb  
And baby you can turn me on

Now don't get me wrong, ain't gonna do you no harm  
This bomb's for lovin' and you can shoot it far  
I'm your main target, come and help me ignite  
Love struck, holding you tight

Make me explode although you know  
The route to go to sex me slow  
And yes I must react to claims of those  
Who say that you are not all that

Sex bomb, sex bomb, you're my sex bomb  
You can give it to me when I need to come along  
Sex bomb, sex bomb, you're my sex bomb  
And baby you can turn me on

Sex bomb, sex bomb, you're my sex bomb  
You can give it to me when I need to come along  
Sex bomb, sex bomb, you're my sex bomb  
And baby you can turn me on

You can give me more and more, counting up the score  
You can turn me upside down inside out  
You can make me feel the real deal

I can give it to you any time because you're mine

Who say that you are not all that  
Sex bomb, sex bomb, you're my sex bomb  
And you can give it to me when I need to come along  
Sex bomb, sex bomb, you're my sex bomb  
And baby you can turn me on

Sex bomb, sex bomb, you're my sex bomb  
And you can give it to me when I need to come along  
Sex bomb, sex bomb, you're my sex bomb  
And baby you can turn me on

And baby you can turn me on, baby you can turn me on  
And baby you can turn me on, baby you can turn me on  
Yeah baby you can turn me on, baby you can turn me  
on  
Well baby you can turn me on
