Ev'ry time I wanna talk to someone I've just met
Don't know how to say what I have to say
Isn't that a quite old story, but for a start not bad
Hi-de-hi-de-hey, hi-de-hi-de-hey

Can't you help me find a way to get in touch with you
As long as you can read my feelings, I'll be sad and
blue
Don't you worry, I think I know now what to do
Just repeat the things I'm gonna say

You-kou-la-le-lou-pie, you-kou-la-le-ley
You-kou-la-le-lou-pie, you-kou-la-la-ley
You-kou-la-le-lou-pie, you-kou-la-le-ley
You-kou-la-le-lou-pie, you-kou-la-la-ley

It sure is a solution, baby, I don't care no more
'Bout what I will say, you showed me the way
God that doesn't mean that you don't have to try no
more
It's your lucky day, it's your lucky day

I'm glad you helped me find a way to get in touch with
you
If you couldn't read my feelings I'd be sad and blue
I'm so glad I knew what I had to do
Repeat again what I'm gonna say

You-kou-la-le-lou-pie, you-kou-la-le-ley
