When I hear it every day.
It don't mean anything.
Nothing positive to say.

You don't know me. You don't know me
The day that we met,
You had me all figured out.
Yeah, but you can't see me. You can't see me

You wouldn't know that
I feel this in my heart.
When I hear it every day. It don't mean shit to me.
Nothing positive to say.
You don't know me. You don't know me

Look at you now.
How can you say those words?
Yeah, but you can't see me. You can't see me
How can you look in my eyes?
Yeah, who looks stupid now?
Who can I, who can I turn to?
Who can I, who can I turn to?
Who can I, who can I turn to?
Who can I, who can I turn to?
Who can I turn to?
