Have you looked? She hasn't moved her eyes from my face.
Have you tried? Have you tried?
Have you looked? She hasn't moved her eyes from my face.
Have you, have you tried?
Looking back, I realize the flame had never burned.
So now I can't help but laugh as he takes his turn, and he takes his turn.
I just smile and shake it off, and pretend like nothing's wrong.
'Cause fake blood, it can only run so far.
Have you looked? She hasn't moved her eyes from my face.
Have you tried? Have you tried?
Have you looked? She hasn't moved her eyes from my face.
Have you, have you tried?
Looking back, I realize the flame had never burned.
So now I can't help but laugh as he takes his turn, and he takes his turn.
I just smile and shake it off, and pretend like nothing's wrong.
'Cause fake blood can only run...
I've been cheated, and you're amongst the very best.
Losing my grip, I resort to what I know is mine.
(I've been cheated.) We wrote our declarations and signed them with blood.
It's funny how time flies, time flies.
I've been cheated, and you're amongst the very best.
And losing my grip, I resort to what I know is mine.
(I've been cheated.) We wrote our declarations and signed them with blood.
It's funny how time flies, time flies.
