Never knew I could feel like this  
Like I've never seen the sky before  
Want to vanish inside your kiss  
Everyday I love you more and more  
Listen to my heart, can you hear it sings  
Telling me to give you everything  
Seasons may change winter to spring  
But I love you until the end of time

Come what may, come what may  
I will love you until my dying day

Suddenly the world seems such a perfect place  
Suddenly it moves with such a perfect grace  
Suddenly my life doesn't seem such a waste  
It all revolves around you

And there's no mountain too high no river too wide  
Sing out this song and I'll be there by your side  
Storm clouds may gather and stars may collide  
But I love you until the end of time  
(I love you) (until the end"of time")  
Come what may, come what may  
I will love you until my dying day  
Oh come what may, come what may  
I will love you  
I will love you

Suddenly the world seems such a perfect place...

Come what may, come what may  
I will love you until my dying day
