(Meg) If there's a prize for rotten judgement  
I guess I've already won that  
No man is worth the aggravation  
That's ancient history, been there, done that

(Muses) Who you think you are kiddin'  
He's the Earth and Heaven to you  
Try to keep it hidden  
Honey, we can see right through you  
Girl you can't conceal it  
We know how you feel and who you're thinking of

(Meg) Oh, no chance, no way, I won't say it, no no  
(Muses) You swoon, you sigh, why deny it, uh oh  
(Meg) It's too cliché, I won't say I'm in love

I thought my heart had learned it's lesson  
It feels so good when you start out  
My head is screaming "Get a grip, girl  
Unless you're dying to cry your heart out!"

(Muses) You keep on denying  
Who you are and how you're feeling  
Baby, we're not buying,  
Hon, we saw ya hit the ceiling  
Face it like a grown-up  
When ya gonna own up that you've got, got it, got it  
bad

(Meg) Woooh, no chance, no way, I won't say it, no no  
(Muses) Give up, give in  
(Thalia) Check the grin, you're in love  
(Meg) This scene won't play, I won't say I'm in love

(Muses) You're doing flips, read our lips, you're in love

(Meg) You're way off base, I won't say it  
Get off my case, I won't say it  
(Muses) Girl don't be proud, it's okay, you're in love  
(Meg) Oh.. At least out loud, I won't say I'm in love
