I don't feel a thing, and I stopped remembering.  
The days are just like moments turned to hours.  
Mother used to say, "If you want you'll find a way."  
Bet mother never danced through fire shower.

Walk in the rain... in the rain... in the rain...  
I walk in the rain... in the rain  
Is it right or is it wrong?  
And is it here that I belong?

I don't hear a sound. Silent faces on the ground.  
The quiet screams, but I refused to listen.  
If there is a hell, I'm sure this is how it smells.  
I wish this were a dream; but, no, it isn't.

Walk in the rain... in the rain... in the rain...  
I walk in the rain... in the rain  
Is it right or is it wrong?  
And is it here that I belong?

Walk in the rain... in the rain... in the rain...  
I walk in the rain... in the rain  
Why do I feel so alone?  
For some reason I think I'm home...
