Love is a many splendid thing, love lifts us up where we  
belong  
All you need is love

Please don't start that again

All you need is love  
A girl has got to eat  
All you need is love  
She'll end up on the street!  
ALL YOU NEED IS LOVE  
Love Is Just A Game!

I was made for lovin you baby  
And you were made for lovin me

The only way of lovin me baby  
Is to pay A lovely fee

Just one night, Just one night

There's no way cause you can't pay!

In the name of Love!  
One Night in the name of love!!

You crazy fool, I wont give in to you.

Don't..Leave Me this way  
I can't survive without your sweet love  
Ohh baby don't leave me this way

You'd think that people would of had enough of silly  
love songs

I look around me and i see it isn't so (ohh no)

Some people wanna fill the world with silly love songs..

Well what's wrong with that? I'd like to know...  
Cause here I go Again!!  
Love lifts us up where we belong

Where eagles fly on a mountain high

Love makes us act like we are fools  
Throw our lives away for one happy day

WE COULD BE HEROES!  
Just for one day

You...You will be mean

No i Wont

And I.. I'll drink all the time!

We should be lovers

We can't do that.

We should be lovers and that's a fact!

No nothing will keep us together

We could steal time just for one day  
We could be heroes for ever and ever  
We could be heroes for ever and ever  
We could be heroes  
Just because I ...I will always love you (I can't help loving  
you )  
How wonderful life is now you're in the world.
