(Miriam) Many nights we pray  
With no proof anyone could hear  
In our hearts a hopeful song  
We barely understood  
Now we are not afraid  
Although we know there's much to fear  
We were moving mountains long  
Before we knew we could

There can be miracles  
When you believe  
Though hope is frail  
It's hard to kill  
Who knows what miracles  
You can achieve  
When you believe  
Somehow you will  
You will when you believe

(Tzipporah) In this time of fear  
When prayer so often proves in vain  
Hope seems like the summer birds  
Too swiftly flown away  
And now I am standing here  
(Miriam) now I'm standing here  
(Tzipporah) My heart's so full I can't explain  
(Both) Seeking faith and speaking words  
I never thought I'd say

There can be miracles  
When you believe (When you believe)  
Though hope is frail  
It's hard to kill (It's hard to kill)  
Who knows what miracles  
You can achieve (You can achieve)  
When you believe  
Somehow you will  
You will when you believe
