### "You"

There's always something  
In the way  
There's always something  
Getting through  
But it's not me  
It's You

Sometime's ignorance  
Rings true  
But hope is not in  
What I know  
Not in me  
It's in You

It's all I know

And I find peace  
When I'm confused  
I find hope when  
I'm let down  
Not in me  
But in You

I hope to lose myself  
For good  
I hope to find it in the end  
Not in me  
It's You  
It's all I know
