(Ewan)My gift is my song and this one's for you  
And you can tell everybody this is your song  
It may be quite simple but now that it's done  
Hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is now you're in the world  
I sat on the roof and I kicked off the moss  
Well a some of the verses well they've, they got me  
quite cross  
But the sun's been quite kind while I wrote this song  
It's for people like you that keep it turned on  
So excuse me forgetting but these things I do  
You see I've forgotten if they're green or if they're blue  
Anyway the thing is what I really mean  
Yours are the sweetest eyes I've ever seen  
And you can tell everybody this is your song  
It may be quite simple but now that it's done  
Hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is now you're in the world  
  
Hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world
