"My First Love"

Everyone can see
There's a change in me
They all say I'm not the same
kid I use to be
Don't go out and play
I just dream all day
They don't know what's wrong with me
And I'm too shy to say
Reff: It's my first love
What I'm dreaming on
When I go to bed
When I lay my head above my pillow
Don't know what to do
My first love
He things that I'm too young
He doesn't even know
Wish that I could tell him what I'm feeling
'cause I'm feeling my first love
Miror on the wall
Does he care at all
Does he ever notice me
Does he ever found
Tell me teddy bear
My love is so unfair
Will I ever found a way
An answer to my pray
For my first love
