Iâ'm cooling out with my mans
Grinding on some business plans
Then we stepped out late for a drink (drink X 3)
There were lots of honeyâ's callings
We were drunk like alcoholic
Then she came in wit some dude I think (think X 3)

Pre-Chorus:

She is who you think she would be
I need drugs to cope with could-beâ's
And sheâ's so damn fine tonight (night X3)
Iâ'm singing in a bottle of vodka (heyâ's)
And Iâ'm higher than the planets above us
Looking for a party to rock (to rock X 3)

Chorus:

I made it home yesterday
And things were so much better

It didn't exactly go my way
But I was so much better (X 2)

Now I know I've seen her
She tried to play it leisure
And I'm motha-futhing ready to fight (fight X 3)
I'm downing all the bottle
Raging like full throttle
And I never want to see her again (again X 3)

Iâ'm singing in a bottle of vodka (heyâ's)
And Iâ'm higher than the planets above us
Looking for a party to rock (to rock X 3)

Chorus

(Heyâ's)

Looking for a party to rock (to rock X 3)

(Letâ's go!)

Chorus

(Let's go!)
