She said "leave just as quick as you came"
Before its more than just a game
Watch the pieces
Fall into place

And he said

"Baby take it from me
You're sweet as candy
And I've never ever ever been teased..."

Sweat from one night
Is more than you can take
Only one fight to avoid your life's
Biggest mistake

Just keep telling yourself
You're worth more than you think
(Than you think of me)

I've got two pennies on all your thoughts, and your
True winning has been here all along
She said

"I'LL SHOW YOU MINE IF YOU SHOW ME YOURS"

Just take her hand. Have fun leading her through
All the wrong doors

Open up wide
Your throat with more than words
Sweat from one night
Is more than you can take
Only one fight to avoid your life's
Biggest mistake

I'll show you mine if you show me yours
Just take her hand have fun leading her through all the
wrong doors!

Sweat from one night (He'll make sure to coat)
Your throat with more than words

Only one fight (from his body to yours)
Cuz my heart
Only hanging by a vein
Is still more than you can break!

(From now to forever)
More than you can break
(I promise you we'll never)
(We'll never be together)

Just keep telling yourself
Just keep telling yourself
You're worth more.
(Than you think of me....)
