For you

Take three years  
Take these tears  
Blow it out of proportion  
Like you never (Lived a single day without regret)  
Like you never (Lived without my voices in your head)  
Three states and eighty shows later it's over  
But it's okay 'cause  
Right here is where I belong

True friends stab in the front  
What's said is said, what's done is done  
Your eyes crushed in  
My fingers is  
The only way you'll see

Keep yourself contained  
'Cause trust me  
'Cause you don't wanna see my  
"look at me now" face

You taught me nothing I  
Didn't already know  
Was it fun riding on my shoulders?  
You taught me nothing I  
Didn't already know  
Was it fun riding on my shoulders?  
Now you'd kill  
Now you'd sin  
To rip open my skin and live a day in my shoes  
'Cause you've got nothing left to lose

You fooled me once shame on you  
You fooled me twice shame on me  
You fooled me three times and  
Death will come on broken wings  
Tonight  
Tonight  
Tonight

Right here is where I belong

You taught me nothing I  
Didn't already know  
Was it fun riding on my shoulders?  
You taught me nothing I  
Didn't already know  
Was it fun riding on my shoulders?  
Now you'd kill  
Now you'd sin  
To rip open my skin and live a day in my shoes  
'Cause you've got nothing left to lose
