Heyyy, Dark moon, ohh way up high up in the sky
Tell me why, tell me why
You've lost your splendor
Mmm, Dark moon, what is the cause your love
withdraws
Is it because, is it because you've missed your love
Mmm baby, Dark moon, ohh way up high up in the sky
Tell me why, tell me why
You've lost your splendor
Ooo yay, Dark moon, what is the cause your love
withdraws
Is it because, is it because you've missed your love
Heyyy, mortals have dreams of life's endless schemes
But they don't realize, that love will sometimes bring
Dark moon, ooo way up high up in the sky
Tell me why, tell me why
You've lost your splendor
Dark moon, what is the cause your love withdraws
Is it because, is it because you've missed your love
Yay, mortals have dreams, of life's endless schemes
But they don't realize, that love will sometimes bring
A, Dark moon, ohh way up high up in the sky
Tell me why, tell me why
You've lost your splendor
Mmm well, Dark moon, mmm what is the cause your
life withdraws
Is it because, is it because you've missed your love
Hay, ohh way up high up in the sky
Tell me why, tell me why
Can't see you, Dark moon
Mmm ohh way up high up in the sky
Tell me why, tell me why
Can't see you, Dark moon
Ohh way up high up in the sky
Tell me why, tell me why
Can't see you, Dark moon
