Beauty is in the eye
Beauty is in the eye
Thank you for this kiss
It's all I really wanted
If you believe that
Darling then you'd better run
Thank you for this kiss
Thank you for this kiss
So beauty is in the eye
Of the beholder
If you believe that
Darling I'm lookin at you
Oh oh oh
If you believe that
Darling I'm looking at you
Go on believeing that
Darling you'd better run
Oh cause you'll never be a cover ghirl
Jsut facing facts
Your face isn't right
And I'll never want, never want
Another girl
Now I've seen you in this light
Thank you for this kiss
Thank you for this kiss
Thank you for this kiss
It's all I really wanted
If you believe that
Darling you'd better run
Oh oh oh
If you believe that
Dalring then you'd better run
Run
'Cause you'll never be
A cover girl
Just facing facts
Your face isn't right
But I'll never want a cover girl
When I've seen you in this light
You'll never be a cover girl
Just facing facts
Your face isn't right

But I'll never want
Never need a cover girl
Now I've seen you in this light
I'll never be a gentlemen
Just facing facts
My face isn't right
And you'll never want
Never want a gentleman
When you see me in that light
I'll never be a gentleman
Just facing facts
My face isn't right
You'll never want a gentleman
When you've seen me in this light
