A misguided woman knows my name
Ain't go nobody else to blame
I gotta a girl back home
(Gotta girl back home)
She's waiting all alone
(She's all alone)

Ten weeks of rock and roll arcade
Seems like a year since I've been paid
I got to let it go, no one will ever know

I got a little to loose in Oklahoma city
I didn't care if she was young
Didn't care if she was pretty

I got a little too loose
A little too loose, a little too loose

Keep little secrets far too long
Guess that I'll put them in a song
I got to let it go, no one will ever know

I got a little to loose in Oklahoma city
I didn't care if she was young
Didn't care if she was pretty

I got a little too loose
A little too loose, a little too loose

"Baby, can I get you a taxi?"
She said, "That's okay, tonight I'm staying here"
All that little girl wanted
Was a slippery souvenir

I got a little to loose in Oklahoma city
I didn't care if she was young
Didn't care if she was pretty

I got a little too loose
A little too loose, a little too loose
