When I was a young boy
My momma said to me
Once a woman gets your soul
You'll never shake her free
These are words of wisdom
It turns out she was right
Gotta find a lover -
'Cause I need a fix tonight

Once I thought her lovin'
Was a habit I could break
But when I go without it
My body starts to ache

Watch it touch you deep inside
Somethin' snaps inside my mind
When I feel it commin' ain't no sense in runnin,
I'm addicted to the rush
Every tiem we touch
Never get enough
'Cause I'm addicted to the rush

Look around I stop and stare
Gotta get a taste
Pretty women everywhere
We ain't got time to waste
Lookin' for a little thang
To fit into my plans
On the town I'll hunt you down
I'm walkin' like a man
