Superstar girl in a strange little world
Exit on hustle made for two
Rock 'n' roll colossal, makin' such a fuss, oh
Candy on a million dollar bill

I want to know if you
Be got a strange fascination
And some time to kill

We can blow up the minds
Of the old congregation for a
Cheap little thrill

Expressionistic space suit
Exit from the parachute
The planet is a candle in a box

I'm swingin' from the grapevine
Runnin' through the stop sign
Won't you show me yours?
I'll show you mine

I want to know if you
Be got a strange fascination
And some time to kill

We can blow up the minds
Of the old congregation for a
Cheap little thrill

I know you've got
A strange desperation
And I'll stay until

We can blow up the minds
Of the old congregation for a
Cheap little thrill

A cheap little thrill
A cheap little thrill

I know you've got

A strange fascination for a
Cheap little thrill
