If you're a red hot fire cracker
I will light your fuse
If you cry like a little girl
I'll dry your baby blues

When you need a man of action
I'm ready to make my move
Like a shotgun shot Johnny on the spot
There's nothing I can't do

Everything you're looking for
You can find in me
I'll be anything you want
Anyone you need
I'll be your daddy, your brother
Your lover and your little boy

When your body needs salvation
I'll be your tender touch
I'll take all the love you give me
And give you twice as much

When we get undercover
And do the horizontal mile
I'm in the mood to answer
To your call of the wild

Everything you're looking for
You can find in me
I'll be anything you want
Anyone you need
I'll be your daddy, your brother
Your lover and your little boy

Everything you're looking for
You can find in me
I'll be anything you want
Anyone you need

Everything you're looking for
Anything that you want and more
I'll be your daddy, you brother

Your lover and your little boy

Your daddy, you brother

Your lover and your little boy

I'm ready, yeah

Come on, I'll be your every thing
